Unlocking the Success Door

Believe with all your heart that you have success and power in you, and you're sure to win out!

The land of "you can't" is growing smaller every day. If you're simply sure that nothing can stop you, nothing can stop you.

So long as the spirit of "I can" is in you, you are like a throbbing motor—as soon as you get hitched to opportunity you're sure to drive things.

Half of greatness is grit—just that hang-to-it, "I can-do-it" spirit that you possess. Your intelligence, backed up by the determination not to back down, will always win.

With your spirit, all you need is the proper preliminary training—and the proper preliminary training for a business career is now and here offered you by

BOYLES COLLEGE.
Here you can quickly become an adept in business—a more-than-ordinarily skillful stenographer, a thoroughly accomplished bookkeeper, a speedy, accurate telegrapher or a swift, sure, high-salaried stenographer—or you can qualify for a U. S. Government Civil Service Position as a Department Clerk, Railway Mail Clerk, Mail Carrier or Government Bookkeeper or Stenographer.

Boyles graduates prove themselves invaluable to their employers right from the start because they are here trained so that they are bound to be unusually valuable. That's why Boyles graduates are in such wonderful demand; why every bank, every wholesale house, every manufacturing business, practically every professional office, and almost all big retail establishments in Omaha and for hundreds of miles around Omaha eagerly employ our graduates. That's why Boyles graduates instead of looking for jobs find jobs looking for them.

It is easy for us to completely prove this to you.
MAKE US PROVE IT!

Send for our 1915 Catalogue and Year Book—ask any and all questions about our college, our courses and what we can do for you, in particular.

Boyles College
